MEMORANDUM FOR: Deputy Director of Security (PS)

SUBJECT : Annual OMB Management  
Improvement Plans/Report

25X1 1. The subject report was discussed at some length with [redacted] Chief, EPD, at which time it was concluded that since IRD is primarily a support function which responds to the requests of other components of the Agency there would be little, if anything, that this office could contribute to the overall report.

2. The primary goal of this office is to increase efficiency and to attempt to decrease the costs to the other components of the Agency who pay for the trips and our services.
